Dr. Amy Van Hecke and a team consisting of Marquette University faculty and community partners have been selected as the first winner of the President's Challenge Award. The team will open a new clinic, the Next Step Clinic, located at the Next Door Foundation, to address the mental health and developmental needs of Milwaukee's underserved children and families.

Department of Psychology // Marquette University

Psychology is the science of behavior and mind (not to be confused with neuroscience, which studies the neural underpinnings of psychological phenomena). Psychology includes the study of conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope. Psychologists seek an understanding of the emergent properties of brains, and all the variety ...
