21- Chapter 8 (A New National Identity).pdf - Google Docs

of self or identity. So what is this self (or identity) that is so important? Self and identity researchers have long believed that the self is both a product of situations and a shaper of behavior in situations. Making sense of oneself-who one is, was, and may become, and therefore the path one should take in the world-is a core self-project.

Self and Identity - USC Dana and David Dornsife College of

Identity Is the New Perimeter. The new engagement model is focused on collaboration and is increasingly delivered via a mobile channel. Clients demand a first-class user experience; when those expectations cannot be met, low switching costs often result in direct impacts to business results. Even for internal users,...
