This stand-alone Patient Simulation CME/CE Activity is designed to offer a hands-on approach to learning valuable and effective Motivational Interviewing skills for use with adolescent patients.

Blending Initiative Motivational Interviewing CME/CE and

Motivational interviewing is a directive, client-centred counselling style for eliciting behaviour change by helping clients to explore and resolve ambivalence.

What is Motivational Interviewing? | Behavioural and

- We have all been to a job interview...or seen a talk show chat where host asks questions,...and we await the answers before making our assessment... With user involvement being cited...as one of the top three reasons for project success,...interviewing provides users the opportunity to get...involved in the project by providing detailed information,...and in doing so deliver better quality ...

Interviewing to gather requirements - lynda.com

A job interview is an interview consisting of a conversation between a job applicant and a representative of an employer which is conducted to assess whether the applicant should be hired. Interviews are one of the most popularly used devices for employee selection. Interviews vary in the extent to which the questions are structured, from a totally unstructured and free-wheeling conversation ...
