Pilot certification in the United States is typically required for an individual to act as a pilot-in-command of an aircraft. It is regulated by the Federal Aviation Administration (FAA), a branch of the U.S. Department of Transportation (USDOT). A pilot is certified under the authority of Parts 61, under 141 of Title 14 of the Code of Federal Regulations (if training was conducted by an FAA ...

Moncton Flight College | Established in 1929 - FAQ's:

In its most basic sense, multimodality is a theory of communication and social semiotics. Multimodality describes communication practices in terms of the textual, aural, linguistic, spatial, and visual resources - or modes - used to compose messages. Where media are concerned, multimodality is the use of several modes (media) to create a single artifact.
