Lafarge Africa Plc is a member of the LafargeHolcim Group – the biggest building and concrete solutions company in the world. It is a publicly quoted company on the Nigerian Stock Exchange (NSE) and serves Nigeria and South Africa with a wide range of building and construction solutions designed to meet housing and construction needs from small projects like individual home buildings to ...

Lafarge Africa Plc - Cement, aggregates and concrete

Power-line communication (PLC) carries data on a conductor that is also used simultaneously for AC electric power transmission or electric power distribution to consumers. It is also known as power-line carrier, power-line digital subscriber line (PDSL), mains communication, power-line telecommunications, or power-line networking (PLN).. A wide range of power-line communication technologies ...

Power-line communication - Wikipedia

The General Electric Company, or GEC, was a major UK-based industrial conglomerate involved in consumer and defence electronics, communications, and engineering. The company was a constituent of the FTSE 100 Index.. In December 1999, GEC's defence arm, Marconi Electronic Systems, was amalgamated with British Aerospace to form BAE Systems. The rest of GEC continued as Marconi plc.

General Electric Company - Wikipedia

This post provides information about basics of Trip, Interlock, Permissive and Sequences which are regularly used in instrumentation control systems like ESD, DCS, PLC etc. Trip: The term Trip refers to an action that
