Results. Overall, 76 experts were invited, and of these 56 (74%), comprising 33 patients and 23 gynecologists, responded to the first round questionnaire, and 40 (71.4%) to the second round.

A self-administered questionnaire to measure the painful

Most people take bladder and bowel control for granted — until something goes wrong. An estimated 32 million Americans have incontinence, the unintended loss of urine or feces that is significant enough to make it difficult for them to maintain good hygiene and carry on ordinary social and work lives.

A legal nurse consultant (LNC) is a registered nurse who uses expertise as a health care provider and specialized training to consult on medical-related legal cases. LNCs assist attorneys in reading medical records and understanding medical terminology and healthcare issues to achieve the best results for their clients. The specialty is a relatively recent one, beginning in the mid-1980s.
