principles of power integrity pdf

Integrity is the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values. In ethics, integrity is regarded as the honesty and truthfulness or accuracy of one's actions. Integrity can stand in opposition to hypocrisy, in that judging with the standards of integrity involves regarding internal consistency as a virtue, and ...

The Peelian principles summarise the ideas that Sir Robert Peel developed to define an ethical police force. The approach expressed in these principles is commonly known as policing by consent in the United Kingdom and other countries such as Canada, Australia and New Zealand.. In this model of policing, police officers are regarded as citizens in uniform.
